Bethel Youth Center & 4-H Program Monthly fee

It is the beginning of the school year, and we welcome your children to the program.

This year we will be serving an afternoon snack daily from 3:30 to 4:30 PM.

Children have the option of joining the sewing program and the Rabbit Club.

Records need to be updated annually, so please stop by as soon as you can to complete an enrollment form, media release form, transportation form and emergency contact information.

There is a \$10 monthly fee per child attending the After School Program during the school year and for the summer program at the Bethel Youth Center.

For children of families on public assistance, receiving food stamps or participating in the WIC Program, the fees were waived with proof of your status.

Please come in and pay on your children's account at your earliest convenience or bring us your proof of eligibility.

Thank you.
